

WOMEN OF VISION & ACTION

2002 CURRENT PROJECTS

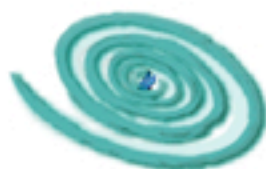

Gather the Women

A global initiative to harness the power and wisdom of women in creating and supporting actions that will enable humanity to live together in a balanced, harmonious and peaceful world. The annual event is held during the week of March 8 to commemorate International Women's Day as declared by the United Nations.

Gather the Women Online Action and Discussion Forums

This forum is provided by Women of Vision and Action for use by WOVA members and Gather the Women participants. Its purpose is to provide a venue for discussions to take place, ideas to be explored, actions to be suggested, resources to be shared, creativity to blossom and feminine wisdom to emerge.

Gather the Women Congress Weaving a World that Works

The Gather the Women Congress has been convened to as a collaborative endeavor to 1) explore our opportunity as women to create a new story of compassion and balance by stepping boldly into global leadership, 2) connect both individual women and diverse organizations to form a multi-dimensional web of shared wisdom, focused intention and abundant resources and, 3) build a foundation for a new kind of self-organization that embodies the feminine principles as a powerful new technology for effective planetary change.
